A Self-Sustaining Vision: By Mellite Group

RESIDENTIAL | COMMERCIAL | SENIOR FACILITY

Capitalize on a Multi-Functional Community Ecosystem

This project is not just another residential subdivision; it's an integrated community designed to provide a complete, self-sustaining neighborhood node. With a strategic mix of residential units, commercial spaces, and a senior living facility, this development caters to the evolving needs of the region's population.

A photograph of a modern, multi-story brick building with large glass windows and balconies. The building is set against a dark, overcast sky. The balconies have glass railings and some have small plants on them. The overall tone is professional and contemporary.

Population Distribution

↑4.1%

Rocky View's
population growth
2016-21

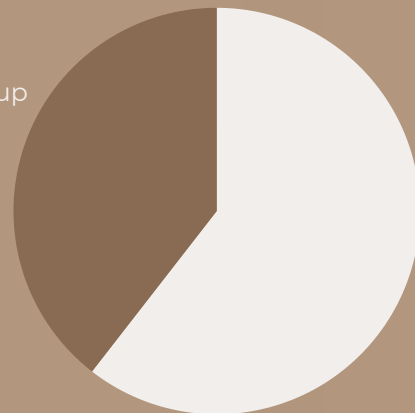

As a part of Rocky View County, Langdon's population is also anticipated to grow, alongside the area's overall development.

This is supported by the approval of the Area Structure Plan for Langdon (2016), which includes plans for further residential expansion.

+60% Langdon's Working
population

A large portion of Langdon's population falls within the working-age household segment, representing the primary driver of suburban residential demand in commuter communities such as Langdon.

Other age group
2,065

25-64 years
3,165

And almost 20% of the population of Rocky View County is 65 years and older, many of whom have been drawn to the area by the rural or small-community atmosphere, increasing the demand for Senior facility units.

Mellite Group

WITH A RAPIDLY GROWING POPULATION AND A DOCUMENTED SHORTAGE OF COMMERCIAL AND SENIOR-CARE INFRASTRUCTURE, LANGDON IS THE CALGARY REGION'S NEXT MAJOR SUCCESS STORY.

THE OPPORTUNITY IS CLEAR. THE DEMAND IS PROVEN.
